Charging time	2-3 hours
Power	550W
Charging voltage	110v-240v
Net weight	1.05KG(with battery)
Chain Speed	5M/s
Motor	Copper Brush
Guide bar length	4 inch
Size	13.5*10.5*33cm

**Multi Purpose**

**BEST QUALITY**

### Powerful Motor

Built-in with a durable pure copper motor, this powerful chainsaw achieves speed up to 5m/s. The actual speed depends on the specific size and hardness of the wood.

### Sharp Chains

The deep quenched chains and right-angle cutter head design make the chainsaw sharp enough, cutting faster and more efficiently.

### Heat Dissipation

Effective heat dissipation design prevents the motor from burning out, making it safer while using

### Ergonomic Design

The ergonomics design and rubberized handle make it easy to get a good grip, which is also easy to use for women and the elderly

### Large Capacity Battery

Equipped with 2 Pack rechargeable lithium batteries, you can always have one in use while the other is charging.

### Easy to Carry

The suitcase can perfectly store all accessories, it is an ideal gift for relatives and friends. The package weighs about 5 pounds.
